Whether you're a broker-owner or an active agent, politics impacts your ability to be profitable. The REALTORS® Political Action Committee (RPAC) collects voluntary investments from REALTORS® and uses those funds to help elect REALTOR®-friendly candidates at the local, state, and federal levels of government. By fighting to protect your interests, RPAC is your best investment for your industry and your career.

Please invest in RPAC when renewing your membership in the **Paulding Board of REALTORS®**

Because federal law prohibits the use of your membership dues for political purposes, RPAC is funded entirely by the voluntary investments of members like you.

Contributions are not deductible for income tax purposes. Contributions to RPAC are voluntary and are used for political purposes. You may refuse to contribute without reprisal and the National Association of REALTORS®, the Georgia Association of REALTORS®, or the Paulding Board of REALTORS® will not favor or disfavor any member because of the amount contributed. 70% of each contribution is used by GARPAC to support state and local candidates. Until GARPAC reaches its RPAC goal, 30% is sent to National RPAC to support federal candidates and is charged against your limits under 2 U.S.C. 441a; after GARPAC reaches its RPAC goal, it may elect to retain your entire contribution for use in supporting state and local candidates.
