Did You Know?

Not all real estate agents are REALTORS[®].

Only REALTORS[®] are fighting right now to preserve the federal Mortgage Interest Deduction on first and second homes.

Only REALTORS[®] fought to create a tax exemption on the first \$500,000 of capital gains from the sale of a principal residence.

Only REALTORS[®] are the sole line of defense against increased government regulation and taxation of homeownership.

Any real estate licensee can help you buy or sell a home, but only a REALTOR[®] keeps working to protect your investment long after the sale.

Not every real estate licensee is a REALTOR[®]. As a REALTOR[®], I have made a choice to help lead the fight to protect your investment, preserve private property rights, and defend the American Dream of homeownership. The political activity of REALTORS[®] at all levels of government is saving homeowners thousands of dollars over their lifetime.
