

DEVON B. LEE

Devon is a lifelong resident of Paulding County who brings a diverse skill set to her real estate clients. As a licensed agent (since 1989) and a Certified Residential Appraiser (since 1993), Devon understands the importance of giving accurate opinions of value to both the sales team as well as to housing lenders. This perspective makes her uniquely qualified.

A graduate of Paulding County High School (1986) and Kennesaw State University (*cum laude* 1991), Devon formed her own company, Braswell Mountain Appraisals in 2000 and has completed over 10,000 residential appraisals. Her work ethic, knowledge, and dedication to her clients has caused her business to thrive in both good and not so good economic times.

Devon has one son, Dalton, a senior at Jacksonville State University. She currently lives in the North Paulding area with her cat, Mattie.
